Benefits for Members

- Regular networking events where you get the opportunity to meet, share and promote yourself with other local business people
- Discounted membership of Casey Cardinia Business Group, the region's umbrella business organisation
- Business listings, features and member promotions on the NWBG website
- Discounts on a range of events held by other regional business organisations
- Opportunity to establish and participate in events & promotions that highlight local businesses within the community
- A chance to add your voice on issues that affect your business. The City of Casey respects and recognises the NWBG as the voice of local business – we welcome your input on what needs to be improved.
